# How to get the article?

1 REQUEST ARTICLE VIA LIBRARY

This is not always free, but often a fast option, and often much cheaper than buying it from the publisher. USI covers the costs for its affiliates: ask your library for advice.

2 REQUEST ARTICLE VIA AUTHOR

Request a copy from the author directly; often not the fastest way but traditionally a well-used route to get the article.

3 UNPAYWALL

Get full text of research articles as you browse, using Unpaywall's index of legal open access articles. Free browser extension for Chrome and Firefox.

4 HASHTAG #ICANHAZPDF

Use the hashtag #icanhazpdf together with a link to the requested publication; if somebody has access, they can send you the article.
